

Un Dialogue

Can you read this conversation out loud? Maybe your mum or dad could be the icecream seller and you could be the little boy buying the icecream.

When you've done it once you could swap over. And after that, how about changing some of the details, like the flavour of icecream and the price?

Bonjour!

Bonjour, monsieur. Une glace au chocolat, s'il vous plaît

C'est tout?*

Merci.

De rien**. Au revoir!

Au revoir, monsieur!

* "C'est tout?" means "Is that all?"

** "De rien" means "You're welcome"
